Dear Community Supporter:

The Bangor Slater Band Boosters invite you to become a sponsor of the Bangor High School Slater Bands! The Bands perform on over fifty occasions each year in parades, concerts, festivals, football games, musicals and a variety of community events. The Slater Band Boosters support over 100 students across six ensembles at the High School. We hope you can attend concerts throughout the school year to hear some spectacular music!

The Slater Band Boosters support all instrumental ensembles through scholarships, travel expenses, supplies and equipment not funded by the school district.

We hope you will consider supporting the Slater Bands by purchasing a patron ad in the 2023 Marching Band Festival Program. We expect to host between six and ten area bands.

Supporters who purchase a program ad in the Festival Program Book will also have their ad displayed as part of a slide presentation prior to the four high school band concerts. Your ad showing support for the band will be viewed by hundreds of local citizens throughout the year.

Thank you for your investment in the future of our young musicians as we strive to continue providing Bangor Area students with a superior music education and invaluable life-experiences!

Very truly yours,
Bangor Slater Band Boosters
